

PRESS RELEASE

4 October 2024

Moscow, Russia

ToolMash 2024, the premiere hardware exhibition expects more than 5,000 visitors and 35+ exhibitors!

The premier international hardware exhibition ToolMash 2024 will take place from 8 to 11 October. This year the exhibition will feature 14 sections of equipment and tools, from hand tools to power equipment. More than 5000 specialists from 72 regions of the Russian Federation from the construction, woodworking, automotive, metalworking and logistics industries will visit the exhibition. The exhibition will occupy approximately 750 square meters in Crocus Expo, Pavilion 1, Hall 4.

The event brings together manufacturers and suppliers with representatives of dealer and trade chains, with thousands of end users from various industries interested in purchasing hand, power and mechanical tools for their business goals and needs.
